MAIN PURPOSE OF SOLO-DRYER
to provide a proactive solution that enhances safety and prevents slipping in wet environments.

PROBLEM OVERVIEW

Wet feet pose a significant hazard in various settings, ranging from mosques to bathrooms to commercial spaces such as swimming pools, spas, and gyms.

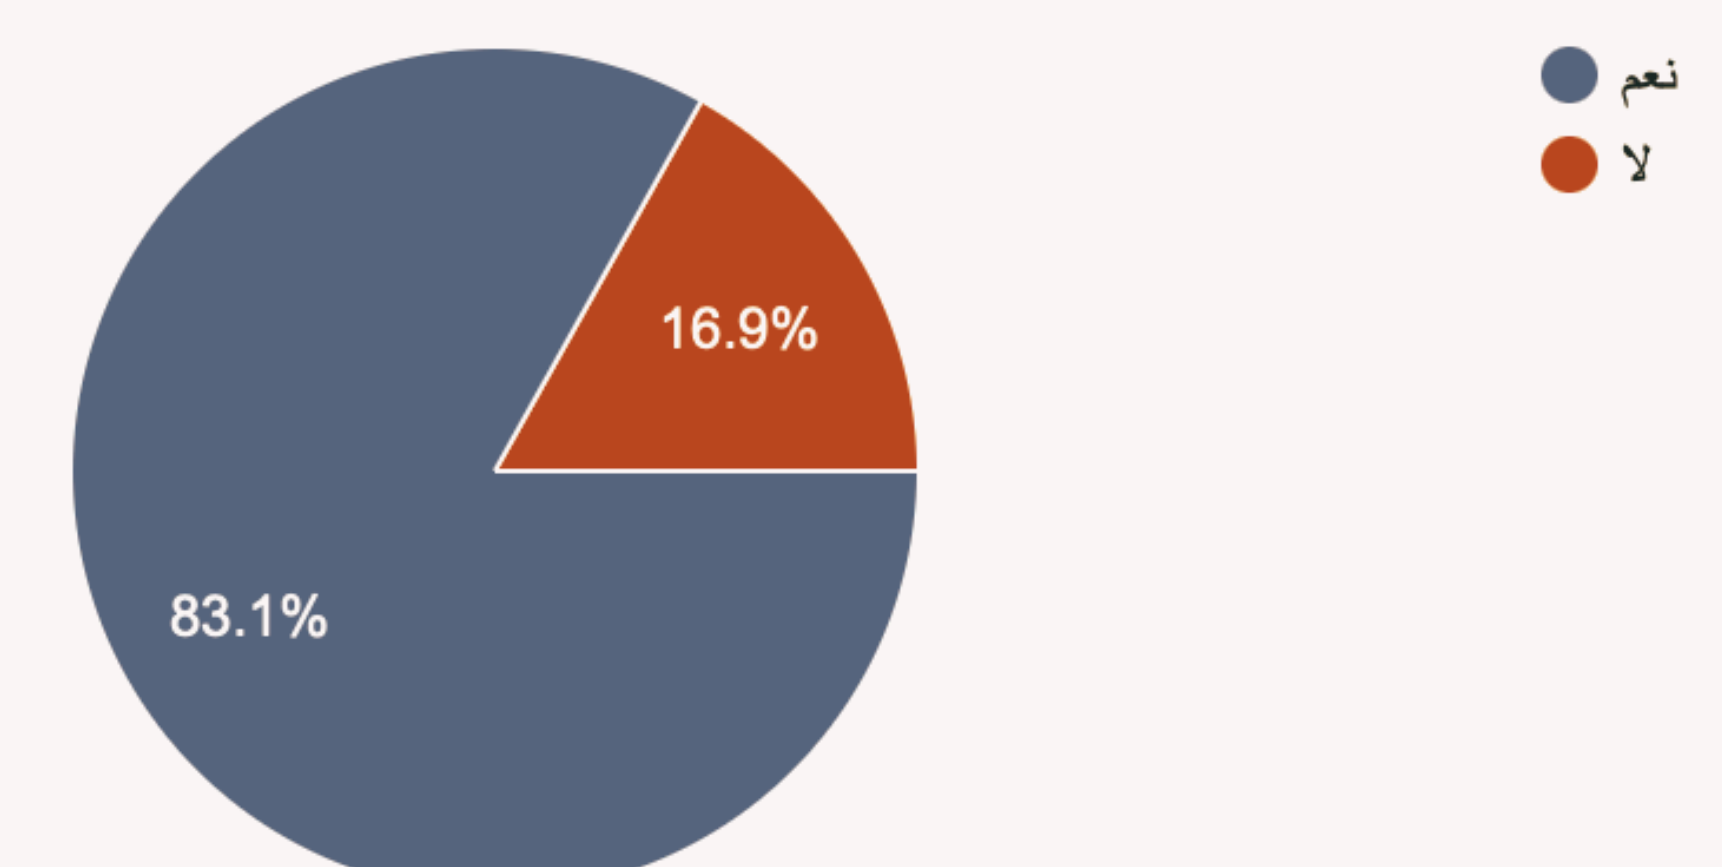

اذا كان هناك حل لتسهيل وضوء كبار السن، هل ترى انه سيلقى قبولاً من المجتمع ؟

OUR SOLUTION

We created Solo-Dryer to enhance slip resistance by employing an innovative mechanism that expels air outward. This design provides a safer and more reliable experience.
